

Special Events Calendar

Regathering at Webster Presbyterian

We invite you back to church! Please join us for our in-person Sunday Worship at 9:30am. We ask that you call the Church Office (265-9700) by noon Saturday each week to reserve your spot. Don't forget your mask!

Our Regathering Team has been working for months, planning the best way to get us back together. We are following all NYS safety guidelines including social distancing in the Sanctuary, revised cleaning procedures, and asking everyone to wear masks. We are not singing as a congregation, but instead we have Special Music each week. If you have any questions about our safety procedures, you are encouraged to call the Church Office and ask to speak with a member of the Regathering Team.

For those who would prefer to worship at home, our service will continue to be live-streamed on Zoom and [Facebook](#). You can also catch up on past services on our [YouTube](#) page. Take a look below for links to Zoom worship and other fellowship opportunities.

Worship Service

Sundays, 9:30am
