

IN-PERSON WORSHIP IN THE SANCTUARY

Whereas new guidelines from the Center for Disease Control and New York State allow for the expanded opening of buildings, the Webster Presbyterian Church hereby updates its building usage policy as follows:

1. Face masks are encouraged but not required for fully vaccinated individuals. Unvaccinated persons are required to wear masks. Masks are required for singing in the church.
2. Social distancing in the church, according to the CDC and NYS guidelines, is required.
3. Social gatherings with limited food service, may be approved by Session for up to 125 individuals at a time with social distancing required. Food may be provided by an outside vendor. The kitchen may be used for serving and preparation. No self-service of food is permitted.
4. Beverages may be served in the narthex with social distancing required. No self-service of beverages is permitted.

Session voted to **approve** the motion.
